the first lady darby mystery a riveting debut an original premise an enigmatic heroine and a compelling highland setting a book you won't want to put down new york times bestselling author deanna raybourn scotland 1830 following the death of her husband lady darby has taken refuge at her sister's estate finding solace in her passion for painting but when her hosts throw a house party for the cream of london society kiera is unable to hide from the ire of those who believe her to be as unnatural as her husband an anatomist who used her artistic talents to suit his own macabre purposes kiera wants to put her past aside but when one of the house guests is murdered her brother in law asks her to utilize her knowledge of human anatomy to aid the insufferable sebastian gage a fellow guest with some experience as an inquiry agent while gage is clearly more competent than she first assumed kiera isn't about to let her guard down as accusations and rumors swirl when kiera and gage's search leads them to even more gruesome discoveries a series of disturbing notes urges lady darby to give up the inquiry but kiera is determined to both protect her family

and prove her innocence even as she risks becoming the next victim

immersing herself in her painting after the death of her anatomist husband lady kiera darby is ostracized by london society until her brother in law asks her to use her skills to help a local inquiry agent solve a murder

from the national bestselling author of the anatonmist s wife comes the second historical mystery featuring enigmatic sleuth lady kiera darby scotland 1830 lady kiera darby is no stranger to intrigue in fact it seems to follow wherever she goes after her foray into murder investigation kiera must journey to edinburgh with her family so that her pregnant sister can be close to proper medical care but the city is full of many things kiera isn t quite ready to face the society ladies keen on judging her her fellow investigator and romantic entanglement sebastian gage and ultimately another deadly mystery kiera s old friend michael dalmay is about to be married but the arrival of his older brother and kiera s childhood art tutor william has thrown everything into chaos for ten years will has been missing committed to an insane asylum by his own father kiera is sympathetic to her mentor s plight especially when rumors swirl about a local girl gone missing now kiera must once again employ her knowledge of the macabre and join forces with gage in order to prove the innocence of a beloved family friend and save the marriage of another

in this historical mystery from the national bestselling author of a brush with shadows lady kiera darby and sebastian gage get tangled in a dangerous web of religious and political intrigue july 1831 in the midst of their idyllic honeymoon in england s lake district kiera and gage s seclusion is soon interrupted by a missive from her new father in law a deadly incident involving a distant relative of the duke of wellington has taken place at an abbey south of dublin ireland and he insists that kiera and gage look into the matter intent on discovering what kind of monster could murder a woman of the cloth the couple travel to rathfarnham abbey school soon a second nun is slain in broad daylight near a classroom full of young girls with the sinful killer growing bolder the mother superior would like to send the students home but the growing civil unrest in ireland would make the journey treacherous before long kiera starts to suspect that some of the girls may be hiding a sinister secret with the killer poised to strike yet again kiera and gage must make haste and unmask the fiend before their matrimonial bliss comes to an untimely end

from the national bestselling author of a brush with shadows comes a riveting historical mystery featuring a most unusual and romantic female sleuth lady kiera darby scotland 1831 lady kiera darby is thrilled to have found both an investigative partner and a fiancé in sebastian gage but with her well meaning sister planning on making their wedding the event of the season kiera could use a respite from the impending madness after she s commissioned to

paint the portrait of lady drummond kiera is shocked to find her client prostrate on the floor both a physician and lord drummond appear satisfied to rule her death natural but kiera is convinced that poison is the real culprit now armed only with her knowledge of the macabre and her convictions kiera intends to discover the truth no matter what or who stands in her way judith rock

series statement from publisher s website

up the close and down the stair up and down with burke and hare burke s the butcher hare s the thief knox the man who buys the beef anonymous children s song on halloween night 1828 in the west port district of edinburgh scotland a woman sometimes known as madgy docherty was last seen in the company of william burke and william hare days later police discovered her remains in the surgery of the prominent anatomist dr robert knox docherty was the final victim of the most atrocious murder spree of the century outflanking even jack the ripper s together with their accomplices burke and hare would be accused of killing sixteen people over the course of twelve months in order to sell the corpses as subjects for dissection the ensuing criminal investigation into the anatomy murders raised troubling questions about the common practices by which medical men obtained cadavers the lives of the poor in edinburgh s back alleys and the ability of the police to protect the public from cold blooded murder famous among true crime aficionados burke and hare were the first serial killers to capture media attention yet the anatomy murders is the first book to situate their story against the social and cultural forces that were bringing early nineteenth century britain into modernity in lisa rosner s deft treatment each of the murder victims from the beautiful doomed mary paterson to the unfortunate daft jamie opens a window on a different aspect of this world in transition tapping into a wealth of unpublished materials rosner meticulously portrays the aspirations of doctors and anatomists the makeshift existence of the so called dangerous classes the rudimentary police apparatus and the half fiction half journalism of the popular press the anatomy murders resurrects a tale of murder and medicine in a city whose grand georgian squares and crescents stood beside a maze of slums a place in which a dead body was far more valuable than a living laborer

lady kiera darby and sebastian gage investigate a macabre murderer in this historical mystery from the author of mortal arts scotland 1830 following the death of her dear friend lady kiera darby is in need of a safe haven returning to her childhood home kiera hopes her beloved brother trevor and the merriment of the hogmanay ball will distract her but when a caretaker is murdered and a grave is disturbed at nearby dryburgh abbey kiera is once more thrust into the cold grasp of death while kiera knows that aiding in another inquiry will only further tarnish her reputation her knowledge of anatomy could make the difference in solving the case but agreeing to investigate means kiera must

deal with the complicated emotions aroused in her by inquiry agent sebastian gage when gage arrives he reveals that the incident at the abbey was not the first some fiend is digging up old bones and holding them for ransom now kiera and gage must catch the grave robber and put the case to rest before another victim winds up six feet under

the nefarious practices of the murderers burke and hare were revealed on 2nd november 1828 with the discovery and identification of a woman s corpse in the cellar of dr robert knox s school of anatomy soon it was known that at least fifteen other persons has been similarly done to death rumours began to spread and broadsides were published to acquaint the public with all the lurid details henceforward knox s name was to be inseparably linked with those of the murderers people were in no mood to differentiate between the degrees of culpability of those involved in the scandal and public opinion held him to be as guilty of murder as burke and hare who had smothered their victims without remorse in this book the author tells the complete life story of robert knox the years of success before 1828 and the tragic years that followed knox emerges as a dedicated scientist a brilliant teacher of anatomy to whom nineteenth century surgeons owed much a man probably genuinely unaware of the methods used by burke and hare who found the victorian world relentlessly unforgiving knox appears as a character in the anatomist a play by james bridie and in dylan thomas s film script the doctor and the devils but neither bridie nor thomas shows him as the vivid character he was miss rae in seeking to vindicate him both as a man and as a doctor has given us a sympathetic and highly readable study of one of the pioneers of modern medicine jacket

during the middle ages and renaissance single women in england might occupy one or more categories in accordance with their life stages lifestyles and economic status under the rubric of the single woman are found widows well born spinsters provided for by their families entrepreneurs wage earners many of whom were servants or farm workers nuns and the handicapped the latter also often sheltered by the church unwed mothers cross dressers some of whom may have been lesbians kept women and prostitutes this anthology mirrors the negotiations between the actual life circumstances of women and their ideological constructions on the page and stage these multivalent negotiations in some ways sustain in others contradict the received notion of an increasingly vehement patriarchalism limiting opportunities for women s independence and offering few fictional models of women who found happiness outside marriage the contributions here are divided between those who discuss the stifling effects of misogyny and those who uncover not only significant pockets of resistance to inequality but also a sheer disregard of misogynous traditions on the part of english institutions as well as individuals this anthology will be of interest to graduate students and advanced scholars in english medieval and renaissance studies including social history and economics the visual arts and especially literature
